

Pronoun

A **pronoun** is a word that can be used in place of a noun to refer to a person, place, or thing.

Here are some different pronouns.

I	he	they
me	she	them
we	it	
you		

When you use a pronoun, you don't have to repeat the noun.

Janet and **Su** are going to the park. **They** will play on the swings there.

Does **Leo** know that **he** is going to be late?

The **cat** ran away because people make **it** nervous.
